Display Devices for Technology  
TFT Solutions  
Monochrome LCM Solutions  
Resistive Touch Screen  
Capacitive Touch Solutions  
Embedded Solutions

**Jasper Electronics**

[www.jasperelectronics.com](http://www.jasperelectronics.com)

Provides standard & custom designed power supplies. Redundant Power Systems, Front-End Power, Medical, PCI, Solar Inverters, Rack System, Traffic Control, Wall Mount, and Desktops

**BH Electronics**

[www.bhelectronics.com](http://www.bhelectronics.com)

High Frequency Magnetics.  
Up to 1.3GHz.  
Isolation Transformers, Inductors,  
Common Mode Chokes, filters,  
Standard Magnetics, Video  
Components, Test Baluns, DC-DC  
Converter, Custom Assemblies.  
Offers comprehensive engineering  
design support  
Certified to ISO 9001:2008

**AOS Thermal Compounds**

[www.aosco.com](http://www.aosco.com)

Thermal Grease (Non-Silicone)  
Micro-Faze (Thermal Grease Pads)  
Sure-Foam (Gap Filler Material)

**Longwell**

[www.longwell.com](http://www.longwell.com)

Longwell is one of the world's largest producers of electronic components and cable products.  
Power Cords, Wire & Cable, Cable Assemblies, Connectors, Power Adapters
