

SALARSON & ASSOCIATES | Manufacturer Representative

Duratech Industries

www.duratech.com

Membrane Switches
Nameplates, Overlays
Decals, Labels
Doming

In-Mold Decorating
In-Mold Electronics

RFID, Near Field Communication
Screen Printing
Digital Printing
Flexographic Printing

NAC Group, Inc.

www.nacsemi.com

A global electronic component design services & distribution company.
Design services via Field Applications Engineer staff.
Thousands of components in stock for convenient delivery
Value-Add services & complete supply chain programs

AOS Thermal Compounds

www.aosco.com

Thermal Grease (Non-Silicone)
Micro-Faze (Thermal Grease Pads)
Sure-Foam (Gap Filler Material)

BH Electronics

www.bhelectronics.com

High Frequency Magnetics.
Up to 1.3GHz.

Isolation Transformers, Inductors,
Common Mode Chokes, filters,
Standard Magnetics, Video
Components, Test Baluns, DC-DC
Converter, Custom Assemblies.

Offers comprehensive engineering design support
Certified to ISO 9001:2008

Shimifrez

www.shimifrez.com

World's leading manufacturer of thin metal parts utilizing precision photo chemical etching and photo electroforming. Instead of stamping or laser cutting photo etching produces accurate and identical thin metal components for small & large batches.

Jasper Electronics

www.jasperelectronics.com

Provides standard & custom designed power supplies.
Redundant Power Systems, Front-End Power, Medical, PCI, Solar Inverters, Rack System, Traffic Control, Wall Mount, and Desktops.

Powertip

Technology Corp

<http://us.powertipusa.com/>
Display Devices for Technology
TFT Solutions
Monochrome LCM Solutions
Optical Bonding
Resistive Touch Screen
Capacitive Touch Solutions
Embedded Solutions

Applied Power Systems

www.appliedps.com

Specializing in power conversion systems and thermal management of high power semiconductors.
Integrated Advanced PowerStacks.
Inverters, Driver Boards, Assemblies, Converters.
