NAC Group, Inc.

www.nacsemi.com

A global electronic component design services & distribution company.

Design services via Field

Applications Engineer staff.

Thousands of components in stock for convenient delivery

Value-Add services & complete supply chain programs

BH Electronics

www.bhelectronics.com

High Frequency Magnetics.

Up to 3.0 GHz.

Isolation Transformers,

Inductors, Common Mode

Chokes, filters, Standard

Magnetics, Video Components,

Test Baluns, DC-DC Converter,

Custom Assemblies.

Offers comprehensive

engineering design support

Certified to ISO 9001:2008

AOS Thermal Compounds

www.aosco.com

Thermal Grease (Non-Silicone)

Micro-Faze (Thermal Grease Pads)

Sure-Foam (Gap Filler Material)

Jeco Plastic Products

www.jecoplastics.com

Industry leader in plastic

pallet design and

manufacturing. We focus on

printing pallets and other

custom plastic pallets made

from resilient linear low-

density polyethylene plastic

(LLDPE).

Shimifrez

www.shimifrez.com

World's leading

manufacturer of thin metal

parts utilizing precision photo

chemical etching and photo

electroforming. Instead of

stamping or laser cutting

photo etching produces

accurate and identical thin

metal components for small

& large batches.
